AND ATTACH PAPER-  
CLIP TO NOSE OF PLANE

(A)  
FOLD IN HALF  
ALONG DOTTED LINE  
THEN LAY FLAT AGAIN

American Kestrel  
"Sparrow Hawk"  
This smallest falcon lives throughout the United States from Alaska to Mexico. It is most commonly seen at roadsides, where it perches atop telephone poles, fence posts and trees. It feeds mainly on grasshoppers and small rodents.
